I understand that the Central Intelligence Agency is currently interviewing applicants for job openings.

I am a U.S. citizen and possess a good knowledge of foreign affairs. I have traveled extensively in Europe and have lived with a Mexican family in Guadalajara for three months during which time I spoke only Spanish. I have a Juris Doctorate and am a member of the California and District of Columbia Bar Associations

I am enclosing a copy of my resume and, if possible, would appreciate the opportunity of a personal interview at your earliest convenience.

Sincerely,
